

Announcements for 10th Aug 2019

1. North Bristol Church will be closing today after the divine service as is our custom on the second Sabbath of each month.
2. The SEC Day of Fellowship will be held on the 7th September 2019 within the grounds of Portsmouth University. A mini bus holding 16 people has been booked to transport people to and from the event, however the leadership team are looking to hiring a larger coach to accommodate other church members from the Bristol district that would like to attend the day of fellowship. We will inform you of the cost in due course. Please note that North Bristol Church will be closed on this day.
3. A number of North Bristol Church members will be getting baptised on the 5th October 2019. We are thankful that they have chosen to follow in Christ's example. As a church, we ask you to show your support on the day, but also continue to support them after the day with your prayers and guidance.
4. The mobile prayer service is still available for home visits. If you would like a visit, or know of someone that would appreciate a visit, please speak to Evone Williams (prayer coordinator).
